

Fishing Charters

Captain Andy

Get on board with **Captain Andy** and experience the best fishing in town! Sail along the coast of Puerto Aventuras in search of wahoo, tuna, mahi mahi and more! Captain Andy is the only American bilingual captain chartering the Riviera Maya, having fished these grounds for over twenty years.

When fishing with Captain Andy you will be aboard the "Flyin Fish", a 38' Ensign Sports Fishing Boat powered by two 315 Cummins diesels. Capt. Andy picked this boat because it has one of the best flybridge designs seen. Several people can sit and enjoy the views, breeze and talk comfortably from the flybridge with plenty of shade.

Capt. Andy has a degree in marine biology and the coursework and most of a dissertation for PhD in biology, he is interested in understanding fish and of course, conservation. All billfish are released, and everything possible is done so that it is a healthy release.

The "Flyin Fish" is perfect for 6-10 anglers.
